**Q4. Destined to Live, Despite Me - Biblical Truths for Suicide Survivors**

1 Considering the subject matter, I found the cover colors to be very peaceful. This led me to want to read this book in order to see why. Apr 28, 2011 9:07 AM

**Q4. Destined to Live, Despite Me - Biblical Truths for Suicide Survivors**

1 Rank #10 Undoubtedly a heartfelt message is contained in this book. There is just no substitute for someone who has actually walked a path to give advice to another considering walking the same way. The book was well organized and well written, gives a strong message of hope. I would like to have seen the internet Resources for Information (p. 136) included with the Resources for Assistance (p.133), perhaps put at the bottom of the page. This book might be a good resource for parents or friends who see warning signs in those they love. Apr 7, 2011 9:34 AM
